**Other business Deemed necessary:** Mayor Sherman updated the committee on the Street plan by providing a past listing of each street that was paved the last time. There were several streets in the last plan that do not appear to be in Duquesne.

The Committee decided that the best course of action would be to request that the board of alderman contract with an engineering firm to plot out the actual streets in the city and make recommendations as to which streets would need attention in each year of a 5-year plan.

**Schedule next meeting:** April 7<sup>th</sup> at 6 PM with a public hearing to present the comprehensive plan and get input from the public. Hard copies will be provided to the public.

**Adjourn:** 7:41 PM Jackson/Lawrence 5-0.
